OUR CLIENTS

SCPL INTERNATIONAL PARTNERS & TIE - UP

A Global innovation consulting firm founded in 1986. Zabala helps leading companies, research organisations, and public administrations make innovation the key factor of their competitiveness. Zabala collaborates with various clients and brings their expertise to all the phases of their innovation projects; strategic planning, grant applications, approval, negotiation, and project management

Based out of Singapore, they serve as a one-stop IP solutions hub to coordinate all their clients' IP matters in the South East Asian region. The Singapore Office acts as the Regional Headquarters and oversees the filing and prosecution of all IP applications in the region via a trusted and established network of strategic alliances, providing clients with total care and convenience with regard to their IP needs, from a single contact point.
